- 102 new permanent boxes has been constructed, within stables of the Equestrian Stadium, which will represent an additional comfort for the horses. They will be added to the 110 permanent boxes of the Racecourse of Compiègne. As we want to improve the wellness of horses, we added a new fiber sand to the Competition Arena of the CDIO 5*, and the 10' arena.
- Free entry during the whole week-end. Various types of restoration are proposed. Village of exhibitors
